

WOODLANDS WARRIORS BASKETBALL CLUB

ROUND 10 = 04/02/17

EDITION 5 - 10TH FEBRUARY 2017

REGISTRATIONS ARE NOW OPEN FOR WINTER SEASON

Registrations are now open for Winter Season and there a few changes this year that will be implemented. All current Sumer team coaches and team managers will receive an email with all the relevant information and forms that are required for the new season.

- **U16, U18 and U21 teams will no longer be independent and will have to be registered through a club.**
The club's stance on this is we will continue with our current teams as they progress into higher age groups. Or accept teams that consist of ex-club players, but won't accept any other independent teams, due to the high number of teams the club has already.
- **New U9 Mixed Competition - Size 5 ball still to be used but the matches will be played on higher rings.**
Some of the anticipated benefits would include:
 - Bridge the gap between the U8 and U10 competition, creating a smoother transition and lessen the 'learning curve' for players moving up from U8s
 - Create an environment for new players (beginning after U8 eligibility) to play in a competition without older and sometimes significantly more experienced players
 - Create a pathway for early starters (e.g. players that commenced as double-bottom age in U8) and quick learners to move up to the next level if they choose (i.e. U8 teams with 12+ months experience that are too strong for U8 Div1 could move up to U9 as bottom aged players)
 - Summer 2016/17 FDFA has 178 teams playing U8 and U10 competitions, comprising of 21 divisions across the two age groups. This can make division selection for club administrators, and grading process for the JCC quite difficult. By splitting into a third competition there would be fewer divisions per age group, making division selections easier and regrading more straightforward
 - Girls teams may choose to play in the mixed competition or if they prefer to only play against girls teams, will have to play in U10s.
- **Changes to the process for registering teams**
As the Team Registrar, I will no longer be able to select the grade that teams are registered in.
All teams being registered will be submitted to FDFA on a spreadsheet and they will select the appropriate grade for each team
EXISTING TEAMS - Placed into divisions based on previous season(s) performance and overall entries received for that age group
NEW TEAMS - clubs will nominate division and FDFA will place the team into the closest matching division based on overall entries.
