FIXTURED GAMES FOR SATURDAY 17TH DECEMBER

It seems that many teams are going to be struggling to have enough players for the matches played on Saturday 17th December. If you require fill-in players please contact the club ASAP to see what can be arranged. These will need to be organised by Thursday at the latest for the club to be able to add the players to the database so they appear on the computer for their matches on Saturday. Just keep in mind, any players entered manually into the computers prior to matches must comply with the regulations for fill-in/emergency players and should first seek prior approval by the Ref supervisor if a Rep player. If you are unsure it is best to contact the club to make sure regulations are being followed and it is approved so your team will not be subject to any penalties. Teams who choose to forfeit their matches should contact the club so a notified forfeit fee can be paid (which is the total match fees of both teams)

IMPORTANT INFORMATION FOR ALL CLUB MEMBERS: NEW BASKETBALL VICTORIA CHILD PROTECTION POLICY

Basketball Victoria is introducing new policy regarding child protection that come into effect from 1st January 2017. This policy is an extension of BV Member Protection By-Laws (attached). The Child Protection Policy reinforces and consolidates much of what is already in place and commonly understood within the basketball network we operate.

Changes of particular note that you need to be aware of:

- **All appointed administrators, coaches and team managers will need to complete a Member Protection Declaration (MPD) form.**

A copy of this will be sent to all coaches and team managers. And it will also be under the FDBA Documents menu. This is in addition to requirement regrading Working with Children compliance.

- **All Basketball Victoria affiliated clubs & associations must comply with BV Child Protection Policy.**

A copy of the club's policy can be found under FDBA Documents menu on our website.

It is encouraged that all members read through this and have an understanding of what is expected from all who associated with the club, this includes all parents, spectators as well as players.

- **All Basketball Victoria affiliated clubs & associations must appoint a Club Welfare Officer.**

(Teachers or police officer are ideally suited. See section 7 of Child Protection Policy.)

The club would like to open this position to any club members who may feel they are suitable.

This position must be appointed ASAP and before commencement of matches when the season recommences in 2017.

If you are interested please contact the club and we will contact you to what is required for this position.

Email: admin@warriorsbasketball.com.au

CLUB COMMUNICATIONS AND COMMITMENTS TO THE NEW POLICIES

Our club committee are all volunteer parents, who are helping for the benefit of all the children within our club. But with the implementation of strict policies, we have to be actively show that we adhere to these guidelines. As you will see outlined in these policies, there would be many aspects that our volunteers would simply not be experienced or qualified in dealing with. Therefore we would like to appoint a Club Welfare Officer who may have experience in these matters to communicate the the club committee if any issues may arise. This is learning curve for all of us and we would appreciate that we have to work together with our members, so we can all grasp and understand what is required from our club members. Afterall, it is all about the children and it is everyone's job to look out for them.

Over previous seasons, complaints from or against our club have been minimal, but when they arise they have to be dealt with promptly. Those of a serious nature are brought to the attention of the club, where we have to decide on an appropriate outcome. So all involved with either part of a team or purely being a spectator of a team, need to follow not just these guidelines but also the Codes of Conduct outlined on both our website and also the FDBA website.

As there are many procedures to follow and dealing with matters can be complicated, we encourage that any incidents of concern are raised with the club immediately so the matter can be resolved. From previous experience, the smallest incident can be made into a serious incident if basic regulations aren't followed. There are many unfamiliar protocols that the club has to undertake, and we may not understand or have the answers for. Keeping an open communication on all matters with the club is the best option so we can find the appropriate answers and actions that are required.
